Demon's Eye

Yngwie Malmsteen

I don't mind just what you say
I never hurt you, baby, never hurt you anyway
But I don't care what you do
I'm, just so lonely, it ain't me and youSly, sly, sly like a demon's eyeNow everything's good, I said, everything's fine
You don't know, don't know, it's the end of your time
How does it feel to be turned away?
I've known it, baby, almost everydaySly, sly, sly like a demon's eyeAnd I don't need you anymore
I don't want you, baby, to hang around my door
Slip and slide 'round my brain
And you think you're so clever, yeah but you know you're insaneSly, sly, sly like a demon's eye
