

# Again

## John Legend

The first time we ever got a chance to be alone we knew  
It was wrong to do, I guess that's why I was drawn to you  
The second time leads to the third, fifth, the seventh time  
I feel so alive, it won't last but it's alright  
Fleeting joy and fading ecstasy  
Here it goes again, oh  
Sneaking fruit from the forbidden tree  
Sweet taste of sin  
And I'm doing it again  
Yes I'm doing it again  
Oh I'm doing it again  
I said it would end but here it goes again  
This time you told me you saw me at the same hotel  
You said you knew me well, I had that familiar smell  
You asked me how am I ever gonna to learn to put my trust in you  
Like you want me to 'cause I know what you're prone to do  
Accusations fly like bullets do  
Here it goes again, oh  
Oh but you know me because you're doing it too  
The cycle never ends, never ends  
Oh you're doing it again, yes you're doing it again  
Oh you're doing it again  
You said it would end but here it goes again  
And again, and again  
Damn, I love you but this is crazy  
I have to fight you almost daily  
We break up so fast and we  
We make up so passionately  
Why can't we just trust each other?  
You can't hate me and be my lover  
Passion ends, the pains begins  
I come back and we're doing it again  
Yes we're doing it again  
Oh we're doing it again  
We said it would end but here it goes again  
Each time you call me home in a sweet refrain  
Saying things will change, you'll take away the pain  
Then we flashback to the first time you put your spell on me  
You envelope me, you feel good as hell to me  
One moment leads to another few  
Here it goes again, oh, oh, oh  
Leaving you is oh so hard to do  
I just can't pretend, I can't pretend  
I keep doing it again  
Oh I'm doing it again  
Yes I'm doing it again  
I said it would end, oh, oh, oh, oh  
Oh I'm doing it again  
I said it would end, oh, oh, oh, oh  
Oh I'm doing it again  
I said it would end but here it goes again
