

Honey (Oh How I Need You)

After 7

Oh how I need you honey
Oh how you bring me joy
Fulfill my life
Oh how much I need you
Oh how I need you honey
Oh how you bring my joy
Fulfill my life
Oh I need you yes I do You came to me, like words to a melody
For love, just for you and me
Now you're in my life, I feel no more strife
Cause with you I'm happy [Chorus] Your sweet and tender touch
How it means so much
When it's coming from your heart
From your heart, from your heart
Oh ordinary won't do, I'm glad
I found someone like you, cause with
You I'm happy
