Saturday Night

The Underdog Project

We got a party going on, get ya hands up
Get ya hands up, get ya hands up
We got a party going on, get ya hands up
Get ya hands up, get ya hands upEvery week and minute
I sit here thinkin' of you
And can't wait to get in it
I'm waitin' for the week to be throughSaturday is the only day I wake up thinkin' 'bout
'Cuz any other day is just another day no doubt
'Cuz every time I think about you, thoughts go through my mind
And everybody is working for the weekendEverything is open on a Saturday night
Do knock out all my fellows with their honey by my side
The DJ spins a record till it hits the morning light
And everything's gonna be okay, 'cuz it's a SaturdayAin't thinkin' 'bout Monday or Tuesday
Or Wednesday, it's alright
Ain't thinkin' 'bout Thursday or Friday
'Cuz tonight's a Saturday nightEvery week and hour
I think about you sitting right by my side
And I can't wait much longer
Wanna show you how I feel for you tonightSaturday is the only day I wake up thinkin' 'bout
'Cuz any other day is just another day no doubt
'Cuz every time I think about you, thoughts go through my mind
And everybody is working for the weekendEverything is open on a Saturday night
