

The Last Hope

Drake

Chorus:

i gotta make it out, or move quickly, cant allow the past to restrict me,
but this time around they wont skip me, I AM THE LAST HOPE, dont hesitate
not even for a second, the hustlers become an obsession,
im on the front line, so my weapon, I AM THE LAST HOPE.Kardinall:
can you imagine the last breath of Christ,
the last breath of Christopher Wallace on that faithful night
the last step that martin luther took as a man
i got the power of my world in my hand
The Microphone brings life or death in the blink of an eye
i was born to provoke those born to die .
i was conceived to beat all odds like las vegas .
T-dot mutherfucker watch the world rape us .
great test strugglers hustler to us succeed .
cross water smugglers tussel to burn weed .
It meets that pressure to success in the south.
niggas watchin what i say magnify my mouth .
i never take back talk i apply the force .
hand blistering for many years of holding the torch .
when the skin rebuilds it grows tougher than leather ,
so we can keep on hold it forever .
my names kardinall

Chorus:

i gotta make it out, or move quickly, cant allow the past to restrict me,
but this time around they wont skip me, I AM THE LAST HOPE, don't hesitate
not even for a second, the hustlers become an obsession,
im on the front line, so my weapon, I AM THE LAST HOPE.Drake:

Jealousy is suttin i haven't felt in years . there's nobody around for me to be jealous off . i bet you do is showing
my city and no one cheers even if you make the music that ladies and fellas love and dove . im incredible often
unforgettable but when it comes to records i will eat it if its editable . they say the futures always for-seen thats
why im steady getting more money more cream . my flow is stuck in the moment that comes before a dream i
stay avoiding unlucky like 14 . and people get behind and they fight for em cause he wont let no other niggas
wright for em . and even when its quite warm the attitude coursing through the veins and my city is an ice storm
. the name's drake and i don't take it for granted i can take it you offended cause im taken advantage mang

.Chorus:

i gotta make it out, or move quickly, cant allow the past to restrict me,
but this time around they wont skip me, I AM THE LAST HOPE, don't hesitate
not even for a second, the hustlers become an obsession,
im on the front line, so my weapon, I AM THE LAST HOPE.
