Sunlight

Stevie Hoang

Until we see the sunlight wh-oa oh oh
Until we see the sunlight wh-oa oh oh
Until we see the sunlight wh-oa oh oh
Until we see the sunlight wh-oa oh oh oh yeah
Friday night, just looking for a place we can go (go go)
Don't matter girl really, ahhhh as long as we're together
I know (know, know) ohhhhh
We're gonna have a good time and just enjoy yourself
Girl when you're next to me I don't see nobody else
So just give me your hand and then let's head to the floor (floor floor)
Shawty let's dance (dance) just let it go
It's time to get down (down) and lose control
And when it gets slow we can dance close and we're not gonna stop
Until we see the sunlight wh-oa oh oh
Until we see the sunlight wh-oa oh oh
Until we see the sunlight wh-oa oh oh
Until we see the sunlight wh-oa oh oh oh yeah
Here we are surrounded by the electronic sky (sky sky)
Now baby just close your eyes
I'll take you to a place we can fly (fly fly)
Ohhhh ohhhh ah
We're gonna have a good time and just enjoy yourself

Girl when you're next to me I don't see nobody else
So just give me your hand and then let's head to the floor (floor floor)
Shawty let's dance (dance) just let it go
It's time to get down and lose control
And when it gets slow we can dance close
And we're not gonna stop
Until we see the sunlight wh-oa oh oh
Until we see the sunlight wh-oa oh oh
Until we see the sunlight wh-oa oh oh
Until we see the sunlight wh-oa oh oh oh yeah
Girl let's go on and on (let's go on and on)
Tonight we're not gonna stop
The dj's playing our song
So just give me your hand and then let's head to the floor
Let's head to the floor let's head to the floor (floor floor)
Shawty let's dance (dance) just let it go

It's time to get down and lose control
And when it gets slow we can dance close
And we're not gonna stop
Until we see the sunlight whoa oh oh oh
Until we see the sunlight whoa oh oh oh
Until we see the sunlight whoa oh oh oh
Until we see the sunlight whoa oh oh oh yeah
