Angel In Disguise

Earl Thomas Conley

You were just another pretty face in the crowd
I was just hangin' out
I wasn't ready for love when I looked in your eyes
You took me by surpriseYou weren't supposed to say that you loved me
You were just gonna stay for the night
I've never held a hand that could touch me
And leave me with stars in my eyesOh angel in disguise
You're just an angel in disguiseYou almost made it too easy for me to believe
That love could happen to me
But you're not afraid to show me how much you care
And prove your heart is thereYou weren't supposed to say that you loved me
You were just gonna spend the night
I've never held a hand that could touch me
And leave me with stars in my eyesOh angel in disguise
You're just an angel in disguise
Oh angel in disguise
You're just an angel in disguise
