Good Luck

Lenachka

What's wrong with me I'm going crazy, crazy
I'm not the type to lose control oh, oh
Something 'bout you got me thinking maybe, maybe
It's time for me to just let go, go, goDidn't take that long for me to realize
You were just another kid tellin' liesGood luck
Doing what you're doing
It's not me you're foolin'
You thought I'd never knowGood luck
You put on a good show
Had me in the front row
But now the curtain's closed(Oh, oh, oh, hmm)
(Oh, oh, oh, hmm)You keep saying that you miss me, miss me
While you're with another girl (no, no)
I can't believe I let you kiss me, kiss me
No time for games in my worldDidn't take that long for me to realize
You were just another kid tellin' liesGood luck
Doing what you're doing
It's not me you're foolin'
You thought I'd never knowGood luck
You put on a good show
Had me in the front row
But now the curtain's closed(Oh, oh, oh, hmm)
(Oh, oh, oh, hmm)
(Oh, oh, oh, hmm)
(Oh, oh, oh, hmm)I should have known
I should have known
I should have knownGood luck
Doing what you're doing
It's not me you're foolin'
You thought I'd never knowGood luck
You put on a good show
Had me in the front row
But now the curtain's closedGood luck
Doing what you're doing
It's not me you're foolin'
You thought I'd never knowGood luck
You put on a good show
Had me in the front row
But now the curtain's closed(Oh, oh, oh, hmm) Keep doing you babe

(Oh, oh, oh, hmm) Because I'm alright
(Oh, oh, oh, hmm) Without you
(Oh, oh, oh, hmm)
