I'll Run

The Cab

i can see it in your eyes, you're scared all these things they force you to do aren't fair i'm here to chase away these fears baby we can chase away these fears

CHORUS

(because) sometimes baby you fall on your back but girl you're three times the lady i'll ever have and you know, you know it's true this is a fight i refuse to loose

and i'll run (and i'll run)
have a little faith in me
you're scared and alone
and i'll run (and i'll run)
THis is where we both break free
i'll bring you home (you home, you home)

i can hear it in your voice, you care let me run my fingers through your hair i'll keep you company at night and baby i'm here to make this right

CHORUS

because) sometimes baby you fall on your back but girl you're three times the lady i'll ever have and you know, you know it's true this is a fight i refuse to loose

and i'll run (and i'll run)
have a little faith in me
you're scared and alone
and i'll run (and i'll run)
This is where we both break free

believe me and don't think twice and don't leave me or say goodbye believe me, believe me tonight believe me and don't think twice believeeeee meeeeee

> and i'll run have a little faith in me you're scared and alone

CHORUS

and i'll run (and i'll run)
have a little faith in me
you're scared and alone
and i'll run (and i'll run)
This is where we both break free
i'll bring (i'll bring) you home (you home, you home)

have a little faith in me
have a little faith in me (have a little faith, have a a little faith)
have a little faith in me (have a little faith, have a a little faith)
if you have a little faith in me
