

All the Things She Said

DJ Gollum

Don't you look back on a big lost world

Crying out tomorrow

Don't you look down like the heroes say

Come, tell me all about itTake me to the streets where the bonfires burn

Take me in your arms and I'll fade away

When I hear you say what you gotta sayAnywhere you go, you know I'll still be waiting

All the things she said, she said

Little darling, close your eyes, there'll be no compromising

Of all the things she said, she saidThrow me to the street where the heartbeats beating

It's beating all around me

To the peaceful revolution and the perfect wave surround meTell me 'bout the ocean moving in slow motion

I see it glitter in the sun then it's freezing in the moonlight

Never look back, never look back, never look awayWhen freedom comes and goes, you know I'll still be waiting

All the things she said, she said

You've fought the fight so long, no surrender to temptation

All the things she said, she saidStars will fall out for you

Luck will surrender

I'm calling out to youOh, to be near you in the first morning light

I'd be with you, I dream about you

If I could leave here, I would leave here tonight

I'd be with you, I'd stay with you tonight, tonightAnywhere you go, you know I'll still be waiting

Of all the things she said, she saidWhen I look into your eyes, I see a new day rising

Of all the things she said, she said

Through the eyes of love and to never know what hate is

Of all the things she said, she saidShe said, this is our time, she said, this is our place

This is the space my heart wants to be

Little darling, close your eyes, there'll be no compromising

All the things she said, she said
