In the sea

Baryshnikov

I feel it in my skin, I feel it through my bones
Your fingertips are falling far from where I know
I try to pin you down, but you move like a dream
I wanna find you but you drop me in the sea
In the sea, in the sea, in the sea, in the sea
You dropped me in the sea, in the sea, in the sea, in the sea
No, no, don't rescue me
I like the saltwater sting
It feels so good to feel
It feels so good just to feel something
In the sea, in the sea, in the sea, in the sea
You move so softly in the middle of the night
Like a cocoon in sheets, you wrap you up so tight
Remember how we used to tangle up and breathe?
Now you're so far away, you roll me in the sea
In the sea, in the sea, in the sea, in the sea
You dropped me in the sea, in the sea, in the sea, in the sea

No, no, don't rescue me
I like the saltwater sting
It feels so good to feel
It feels so good just to feel something
In the sea, in the sea, in the sea, in the sea
Oh, oh
Oh, oh
Oh, oh
Oh, oh
Oh, oh
Oh, oh
Oh, oh
Oh, oh
No, no, don't rescue me
I like the saltwater sting
It feels so good to feel
It feels so good just to feel something
In the sea, in the sea, in the sea, in the sea
In the sea, in the sea, in the sea
