

Baby Strange

The Wildhearts

I see you walking, I see you talking
With all of my friends
I'm shadowed under, you're like some thunder
Wanna be your friend I wanna call ya, I wanna ball ya
All night long
In whims of passion, my whip is lashin'
I wanna get you and then Ooo, you're strange
Don't lame me, baby strange
Don't lame me, baby The city's shakin', I ain't fakin'
Baby this is the end
I'm overloaded, my head exploded
I wanna get you and then
