## **Suddenly**

## **Billy Ocean**

I used to think that love was just a fairy tale
Until that first hello, until that first smile
But if I had to do it all again, I wouldn't change a thing
'Cause this love is everlastingSuddenly, life has new meaning to me
There's beauty up above

And things we never take notice of

You wake up and suddenly, you're in loveGirl, you're everything a man could want and more One thousand words are not enough to say what I feel inside

Holding hands as we walk along the shore

Never felt like this before, now you're all I'm living forSuddenly, life has new meaning to me There's beauty up above

And things we never take notice of
You wake up and suddenly, you're in loveEach day I pray
This love affair would last foreverSuddenly, life has new meaning to me
There's beauty up above
And things we never take notice of

You wake up, suddenly, you're in loveThere's beauty up above

Things we never take notice of

You wake up and suddenly, you're in love
