

# Footprints In The Sand

## Sandman

You walked with me, footprints in the sand  
And helped me understand where I'm going  
You walked with me when I was all alone  
With so much I know along the way  
Then I heard you say  
I promise you, I'm always there  
When your heart is filled with sorrow and despair  
I'll carry you when you need a friend  
You'll find my footprints in the sand  
I see my life flash across the sky  
So many times have I been so afraid  
And just when I have thought I lost my way  
You give me strength to carry on  
That's when I heard you say  
I promise you, I'm always there  
When your heart is filled with sorrow and despair  
And I'll carry you when you need a friend  
You'll find my footprints in the sand  
When I'm weary, well, I know you'll be there  
And I can feel you when you say  
I promise you, I'm always there  
When your heart is filled with sadness and despair  
I'll carry you when you need a friend  
You'll find my footprints in the sand  
I promise you, I'm always there  
When your heart is full of sadness and despair  
I'll carry you when you need a friend  
You'll find my footprints in the sand
