

Until You Break

Matthew Sweet

Hanging on to your pride
Trying not to decide
Who could take you Do you hold it inside
Let it fall by the way
I'll feel the way you feel
And tell you after But how long will it take
How long until you break
To talk you into space
How long until you break Put an end to your day
Turn the light out and say
That first I'll get to know
And love you after Just how long will it take
How long until you break
To talk you into space
How long until you break I'll feel the way you feel
And love you after Just how long will it take
How long until you break
To talk you into space
How long until you break Just how long will it take
How long until you break
To talk you into space
How long until you break 'Til you break
'Til you break
'Til you break
