

Everything to Me

Monica

Boy if you ever left my, my side
It'd be like taking the sun from the sky
I'd probably die without you in my life
'Cus I need you to shine, shine your light You're everything to me, ayyyy
The air that I breathe, whoa
I sigh so I see
Oh that you're, you're everything to me I can't repay you, for all that you've done
Always come first and second to none
All that you've given me is equal to ten
My peace, my joy you are my, my strength You're everything to me, hey
The air that I breathe, oh
My sun so I see
Oh, you're everything to me Boy, I never thought I'd feel love like this
Better than our first date, sweeter than our first kiss
And you, ain't no other person for me
You're my best friend, my lover Baby, you're my everything You're everything to me
The air that I breathe
My sun so I see
You're everything to me Say it I need you
I need you
I need you
I need you
