Never Let Me Down

Lukas Graham

There's just something about her
She got me working harder
She is always on my mind
Oh oh oh I tell ya
She's got something that's better
It holds my world together
When she's a with me I'm alright
And everywhere I go empty handed
Feeling we've been parted for so long
That's why I keep you right here in my palm
You never let me, down
Swear you're a blessing, oh
Ain't you the best thing, wow
Love everlasting
Never get me wrong
Oh you let me be
You gotta love me
Come on
Come onBack at the bar I was having my drink
Talking to my lady never needed a shrink
Somebody sent me a smile then she threw me a wink
She asked are you single I said what do you think
Girl everywhere I go empty handed
Feeling we've been parted for so long
That's why I keep you right here on my arm
You never let me, down
Swear you're a blessing, oh
Ain't you the best thing, wow
Love everlasting
Never get me wrong
Oh you let me be
You gotta love me
Come on
Come onI like to mix it, girl I'd like to twist it with you
I like to shake it girl I think I'll make it with you
I like to mix it, girl I'd like to twist it with you, you, youYou never let me, down
Swear you're a blessing, oh
Ain't you the best thing, wow
Love everlasting

Never get me wrong
Oh you let me be
You gotta love me
Come on
Come on
