

Wanted for Love

Jerry Jeff Walker

Bob Livingston/Lane BybeeNow I'm wanted down in Costa Rica
I'm wanted on Ambergris Caye
I'm wanted back in Austin Texas
I'm wanted down in New Orleans
Yes, I'm wanted back across the border
But they're never gonna catch me there
And the way things are goin' hell son before ya know it
I'm wanted most everywhere....I'm wanted for love
I'm wanted for love
I'm wanted for great back rubs
And singin' to the stars above
Yes, I'm wanted for love
I'm wanted for love
I'm wanted for loveI'm wanted for so many reasons
I'm wanted for no reason at all
She always wanted me to call her
You know I always wanted to call
I told her that I'd meet her someday
I never really told her where
The last time I saw her she was
Calling her lawyerI was runnin' in my underwear....
I'm wanted for love
I'm wanted for love
I'm wanted for late night kisses
and singin' to the stars above
Yes, I'm wanted for love
I'm wanted for love
I'm wanted for love...Hey, a wanted man he's gotta keep moving'
He needs to stay ahead of his past
I wanted to stop and start and over
But a wanted man's gotta move fast
Cause I'm wanted for loveI'm wanted for love
I'm wanted for midnight kisses
And singin' to the stars abov
Yes, I'm wanted for love
I'm wanted for love
I'm wanted for loveI'm wanted by a girl named Gina
Her momma really thinks I'm fineAnd when she asks me do you love her
I always say she's on my mind

And any fool can see she loves me
 Think I really love her too
But while I'm sittin' here drinkin'
 I just got to thinkin'
Baby how I want to be with you
 I'm wanted for love
 I'm wanted for love
I'm wanted for midnight kisses
 Singin' in the ol' hot tub
Yes, I'm wanted for loveI'm wanted for love
 I'm wanted for love
 I'm wanted for love
 I'm wanted for love
I'm wanted for loveI can't help it, I'm wanted!
