Pretty Little Liar

coldrain

With a porcelain innocence
Rehearsed too well and see-through
Such a perfect form and grace
Besides the devil in youGo and hunt all you want but I won't play your game
Well if most of 'em would then we're not all the same
The blood that you crave is some other prey
'Cause I don't even see youYou say you love me, really think I hate you
You say you want me but I don't even want to
Know who you are, so say what you want and go, go
You pretty little liarYou say you get me, never will you get through
You say you need me, I don't even need to
Know who you are, so say what you want and go, go
You pretty little liar
NowWith a song you make 'em sweat
But your make up can't disguise you
And a night spent alone in bed
Beats the nothingness inside youGo and walk, talk and act like you're running the show
But no one's impressed by the people you know
Attention you crave, then throw it away
Just proves that no one needs youYou say you love me, really think I hate you
You say you want me but I don't even want toKnow who you are, so say what you want and go, go
You pretty little liarYou say you get me, never will you get through
You say you need me, I don't even need to
Know who you are, so say what you want and go, go
You pretty little liar
Pretty little liar
HahahahahaLiar, you're a liar and you're looking for a soul
Siren, you're a siren but you're trying to steal the show
Faker, you're a faker and your heart is just a hole
It's such a waste of beautiful'Cause you say you love me, really think I hate you
You say you want me but I don't even want to
Know who you are, so say what you want and go, go
You pretty little liarYou say you get me, never will you get through
You say you need me, I don't even need to
Know who you are, so say what you want and go, go
You pretty little liarGoWhat a waste
A pretty little liar
