On This River

Bad Peter

Bad Peter â€“ On this River (I ABSOLUTELY LOVE THIS SONG!)

Don't you fear the walls are gone now
Don't lose heart weâ€™re almost there now
Breathe in slow
Dig your toes into the sand put your hand into my hand keep your eyes on me

Don't look back the waters warm inviting
You and I youthful souls igniting
Free your mind to every possibility lose your worrin' bout me
Won't you come alongâ€¦â€¦â€¦.

Chorus:
I wanna feel the cold cold water with you feel the water
And the green skyâ€™s of big old trees where the leaves gather
Leaves will whisper to the â€“ to the nearest listenerâ€¦
Build your house on this riverâ€¦. On this river

Bear in mind â€“ I build this all for you and I
And All these sudden stops might find us a way to someday make
A few dimes and leave our foot prints on the sands of time

Chorus: x 2
I wanna feel the cold cold water with you feel the water
And the green skyâ€™s of big old trees where the leaves gather
Leaves will whisper to the â€“ to the nearest listenerâ€¦
Build your house on this riverâ€¦. On this river

Don't you fear the walls are gone now
Don't lose heart weâ€™re almost there now
Breathe in slow
Dig your toes into the sand put your hand into my hand keep your eyes on me
Keep your eyes on me
Keep your eyes on me
Keep your eyes on me
Keep your eyes on me

Chorus: x 2
I wanna feel the cold cold water with you feel the water
And the green skyâ€™s of big old trees where the leaves gather

Leaves will whisper to the â€“ to the nearest listenerâ€¦
Build your house on this riverâ€¦. On this river
