

Kidz (new extended version)

Take That

Kings and Queens and Presidents
Ministers of Governments
Welcome to the future of your world Through talking heads that took liberties
The monkeys learnt to build machines
They think they'll get to heaven through the universe They say nothing
Deny everything
And make counter accusations
My friends, my dear, my love, my God There'll be trouble when the kidz come out (come out)
There will be lots for them to talk about (about)
There'll be trouble when the kidz come out
When the kidz come out, when the kidz come out
When the kidz come out Hey, hey, hey, hey, hey
What you looking at
Hey, hey, hey, hey
You want a bit of that
Hey, hey, hey, hey
There will be trouble when the kidz come out
When the kidz come out
Hey Mirror, mirror on the wall
Who's the fairest of them all?
The Good, the Bad, the Ugly or the Beautiful Because it's up hill and against the wind
With no-one there to let us in
Leave your thoughts and save yourself you fool The daggers of science
Evolving into violence
We're not sure where the fallout blows
But we all know Â There'll be trouble when the kidz come out (come out)
There will be lots for them to talk about (about)
There'll be trouble when the kidz come out
When the kidz come out, when the kidz come out
When the kidz come out Hey, hey, hey, hey, hey
What you looking at
Hey, hey, hey, hey
You want a bit of that
Hey, hey, hey, hey
There will be trouble when the kidz come out
When the kidz come out
Hey Out on the streets tonight
They're making peace tonight
They're making peace La, la, la, la There'll be trouble when the kidz come out

There will be lots for them to talk about
There'll be trouble when the kidz come out
When the kidz come out, when the kidz come out There'll be trouble when the kidz come out
