

# Love Is A Beautiful Thing

Krystal Harris

Been so long since I met you  
And all the changes we've been through  
And all this time I can't forget you  
Everywhere I turn I think of you  
And I wanna love ya, baby  
And you are all I need  
Soul to soul, fire to fire  
Nothing's like this hearts desire  
Love is a beautiful thing  
One to one, you and me  
Maybe it's our destiny  
'Cause love is a beautiful thing  
It's so beautiful, beautiful  
Love is such a sweet emotion  
I want to share it all with you  
Your trust and, and this devotion  
There ain't nothing in this world we can't do  
Tonight, I want to thank, thank you, baby  
And you make my life complete  
Soul to soul, fire to fire  
Nothing's like this hearts desire  
Love is a beautiful thing  
One to one, you and me  
Maybe it's our destiny  
'Cause love is a beautiful thing  
It's so beautiful, beautiful  
Somebody raise your hand now, yeah  
Ooh, no, no, no, no, no  
And I, I wanna thank you, baby  
And you, you're all I need  
Soul to soul, fire to fire  
Nothing's like this hearts desire  
Love is a beautiful thing  
One to one, you and me  
Maybe it's our destiny  
'Cause love is a beautiful thing  
It's so beautiful, beautiful  
Stay together through thick and thin  
Now I know I've got a friend

Love is a beautiful thing  
Face our fears through the years, there's no tears  
Oh, love is a beautiful thing  
Soul to soul, fire to fire  
Nothing like this hearts desire  
'Cause love is a beautiful thing
