Elevation (Marty Lake Uncompressed remix)

U2

Yeah, yeahHigh, higher than the sun
You shoot me from a gun
I need you to elevate me here
At the corner of your lips
As the orbit of your hips
Eclipse, you elevate my soulI've got no self-control
Been living like a mole now
Going down, excavation
I and I in the sky
You make me feel like I can fly so high
Elevation
A star lit up like a cigar
Strung out like a guitar
Maybe you could educate my mind
Explain all these controls
I can't sing but I've got soul
The goal is elevationA mole, digging in a hole
Digging up my soul now
Going down, excavation
I and I in the sky
You make me feel like I can fly so high
ElevationLove, lift me out of these blues
Won't you tell me something true
I believe in you
A mole, digging in a hole
Digging up my soul now
Going down, excavation
I and I in the sky
You make me feel like I can fly so high
ElevationElevation
