

# Salty South (Acoustic Version)

## Indigo Girls

Mister, pull up a chair, I got time for tears  
So tell me all the stories that you never did  
Of the salty south, the Seminoles held out  
While Geronimo died in a lonely jail  
Thousand tides, thousand waves  
Takin' it all away  
It'll come back in, we'll be gone by then  
And it's a miracle we ever learned to live  
You drain that land for a better plan  
Sugarcane and the civil man  
But now the ringin' dead them pines planted in that time  
We gonna keep on killin' till they get it right  
Thousand tides, thousand waves  
Takin' it all away  
It'll come back in, we'll be gone by then, oh  
And it's a miracle we ever learned to live  
I remember the wind as it was settlin'  
And every sun goin' down was a picture then  
But we look back at 'em framed, they all look the same  
There's no sense of time, no sense of pain  
Thousand tides, thousand waves  
Takin' it all away  
It'll come back in, we'll be gone by then, oh  
And it's a miracle we ever learned to give
