

# Scream

Kevin McHale

You get up and somebody tells you where to go to  
When you get there everybody's telling you what to do

Thank you, it's been another bloody Monday  
And no one is asking what you wanted anyway

Scream, 'til you feel it

Scream, 'til you believe it

Scream, and when it hurts you

Scream it out loud

Scream, 'til you feel it

Scream, 'til you believe it

Scream, and when it hurts you

Scream it out loud

Watch out, stay awake, they're lurkin'

Obsess you, they are always workin'

Promisin', everything you never asked for

And one day it'll be too late and you beg for more

Scream, 'til you feel it

Scream, 'til you believe it

Scream, and when it hurts you

Scream it out loud

Scream, 'til you feel it

Scream, 'til you believe it

Scream, and when it hurts you

Scream it out loud

Back to zero, your time's about to come

Let them know you're not just anyone

Your time's about to come

Scream, 'til you feel it

Scream, 'til you believe it

Scream, and when it hurts you

Scream it out loud

Scream, 'til you feel it

Scream, 'til you believe it

Scream, and when it hurts you

Scream it out loud

Shut up

No, can't you feel it

No, don't you believe it

No, and when it hurts you

Scream it out loud  
No, no, no, no, no, no  
Scream it out loud, scream
