

# Jumping Bean

[nelo](#)

I know where the rain doesnâ€™t play  
And I know where the shadows roll away  
And I know where the spaces divide  
And I go to the sunny place sometimes  
Itâ€™s something to realize,  
Something to replace your time  
And I know where the rain doesnâ€™t play  
And Iâ€™ll go where the shadows roll away

And I guess that my fortuneâ€™s within  
And I guess that the running makes me thin  
And I say that itâ€™s for you to take  
And I say that itâ€™s all that I can make  
Itâ€™s something that the people say,  
Something that will make you stay  
And I know where the rain doesnâ€™t play  
And Iâ€™ll go where the shadows roll away

Iâ€™m breathing  
And Iâ€™m feeling

Well, I know how to make your day  
And I know how to take it all away  
And Iâ€™ve seen these things all around  
And I hear when they make their sound, sound, sounds  
So I bring a little more to see,  
Another thing to fill me  
And I know where the rain doesnâ€™t play  
And Iâ€™m looking at a sunny day

Iâ€™m breathing  
And Iâ€™m feeling

Morning is coming out  
The sun is dancing wildly in and out  
Oh, and morning, yeah it takes the pain  
Oh, and I am swimming in a love of nothing  
Yeah, nothing

So I sit with my mind in the air

And I think of a place that's oh-so fair  
And I sing of the perfect town  
And I smile when she moves her feet around  
An open hand, a jumping bean  
A little curl, you'll all be smiling at me  
And I know where the rain doesn't play  
And I'll go where the shadows roll away

Morning is coming out  
Oh yeah, the sun is dancing wildly in and out  
Oh, and morning, yeah it takes the pain  
Oh yeah, and I am swimming in a love of nothing  
Yeah, nothing  
Oh, nothing  
Oh, yeah
