The Second Day

Kendall Payne

I know some things never change
But this can't be one of them
I don't think I can stand it
Any longerAre you scared?
Are you scared?
Are you scared?
'cause if your scared
You're not aloneI once thought i was brave
But I can't stop cryingSometimes I think im going crazy
But I am waiting patiently
Though I fear it will all be in vainAre you scared?
Are you scared?
Are you scared?
'cause if your scared
You're not aloneI once thought i was brave
But I can't stop cryingAre you scared?
Are you scared?
Are you scared?
'cause if your scared
You're not aloneI once thought i was brave
But I can't stop crying
