Love You Promised

Cascada

cascada - love you promise
if i can only see
that your love for me is not forever
then i will always be free
from these chains of love you bind me to
oh baby baby please
wont you save your kisses for another
'cause i won't be a fool
for the love you promise
but won't deliver
i'm just a simple girl

who is hooked to your sweet charm
but the love you promise will never be here in my arms
oh baby baby please
wont you leave me all alone now honey
here's my one last kiss
if you can't make up your mind now it's good bye
i'm just a simple girl
who is hooked to your sweet charm
but the love you promise will never be here in my arms
four three two one
