

# Cornbread

## Middle Class Rut

[Sean sings:] Maybe I'm a cornbread straight motherfucker

Maybe I'm a worn out featherless hand

Maybe I'm a cornbread straight motherfucker

Maybe I'm a worn out featherless hand

Or maybe I'm just picking seed from the wrong one and

[Both sing:] I'm a cornbread

Can I meet you?

Can I meet you?

Can I meet you?

I'm a cornbread

Can I meet you?

Can I meet you?

Can I meet you?

No?

[Sean sings:] La dada da da-da da

(Oh, oh, oh, oh, oh, oh, oh, oh)

La dada da da-da da

(Oh, oh, oh, oh, oh, oh, oh, oh)

Maybe I'm a one horse town motherfucker

Maybe I'm used up worn out man

Maybe I'm a one horse town motherfucker

Maybe I'm used up worn out man

Or maybe I'm just barking up the wrong tree and

[Both sing:] I'm a cornbread

Can I meet you?

Can I meet you?

Can I meet you?

I'm a cornbread

Can I meet you?

Can I meet you?

Can I meet you?

I'm a cornbread

Can I meet you?

Can I meet you?

Can I meet you?

I'm a cornbread

Can I meet you?

Can I meet you?

Can I meet you?

[Sean sings:] You spend all your life  
Dicking at, dicking away at the wrong life  
You're a traitor!  
(Oh, oh, oh, oh, oh, oh, oh, oh)  
You're a traitor!  
(Oh, oh, oh, oh, oh, oh, oh, oh)  
You spend all your time  
Dicking at, dicking away at the wrong life  
You're a traitor!  
(Oh, oh, oh, oh, oh, oh, oh, oh)  
You're a traitor!  
(Oh, oh, oh, oh, oh, oh, oh, oh)

[Both sing:] Maybe I'm a spineless  
weak-kneed  
yellow bellied he she  
Maybe I'm an undercover deadbeat  
Suffering cold feet  
Maybe I'm a spineless  
weak-kneed  
yellow bellied he she  
Maybe I'm an undercover deadbeat  
Suffering cold feet  
Or maybe I'm just shooting with the wrong gun and

[Both sing:] I'm a cornbread

Can I meet you?  
Can I meet you?  
Can I meet you?  
I'm a cornbread  
Can I meet you?  
Can I meet you?  
Can I meet you?  
I'm a cornbread  
Can I meet you?  
Can I meet you?  
Can I meet you?  
I'm a cornbread  
Can I meet you?  
Can I meet you?  
Can I meet you?

Oh

I'm a cornbread  
Can I meet you?  
Can I meet you?  
Can I meet you?

Oh  
I'm a cornbread  
Can I meet you?  
Can I meet you?  
Can I meet you?

Oh  
I'm a cornbread  
Can I meet you?  
Can I meet you?  
Can I meet you?

Oh  
I'm a cornbread  
Can I meet you?  
Can I meet you?  
Can I meet you?

No
