## The Hard Way

## **Kasey Chambers**

If I could do it all again I wouldn't change a thing I'd have you back the way I had you then
But one thing that I know

This time I wouldn't make you go

I'd have you back I wouldn't lose you againBut I learnt the hard way

I can't have it back what I had then

Yes, I learnt the hard way

And I know I won't have that chance againSome nights I sit on my own with a feeling of alone Wondering if your ever coming home

But I know why you're gone

I'll be the first to say I'm wrong

But it's hard to spend another night alone'Cause I learnt the hard way

I can't have it back what I had then

Yes, I learnt the hard way

And I know I won't have that chance againYes, I learnt the hard way

I can't have it back what I had then

Yes, I learnt the hard way

And I know I won't have that chance again

'Cause I learnt the hard way
