

More Than This

10,000 Maniacs

I could feel at the time
There was no way of knowing
Fallen leaves in the night
Who can say where they're blowing As free as the wind
Hopefully learning
Why the sea on the tide
Has no way of turning More than this, you know there is nothing
More than this, tell me one thing
More than this, you know there is nothing It was fun for a while
There was no way of knowing
Like a dream in the night
Who can say where we're going No care in the world
Maybe I'm learning
Why the sea on the tide
Has no way of turning More than this, you know there is nothing
More than this, tell me one thing
More than this, you know there is nothing More than this, you know there is nothing
More than this, tell me one thing
More than this, there is nothing
