

# Runaway

## Damn Yankees

Everyone needs a place to runaway, runaway  
Summer night, moonlit sky  
Tearing pages from a magazine, she cries  
"I don't wanna be the lonely one tonight"  
She said, "I came to this place, full of dreams  
Young and innocent and only 16  
Now I wonder if it's too late to turn back"  
So she runs, and she hides  
And she dries the tears from her eyes  
And the night goes on, and on, and on  
She's in the twilight zone  
Yeah, you gotta run, run, runaway  
It's such a long way home  
When it hurts so bad you gotta run, run, runaway  
Perfect day, feels like spring  
Can see forever but you can't see anything  
Now I wonder why they call it paradise  
It's a crime, it's a shame  
And they won't remember your name  
And your life goes on, and on, and on  
It's like the twilight zone  
Yeah, you gotta run, run, runaway  
But she won't go home  
So she's gotta run, run, runaway  
She came from a small town  
So tired of getting pushed around  
In the dark of the night, no one around  
She'll run from this shabby town, yeah yeah yeah  
It's a laugh, it's a game  
Don't you let it drive you insane  
'Cause your life goes on, and on, and on  
It's like the twilight zone  
Yeah, you gotta run, run, runaway  
But she won't go home  
When it hurts so bad you gotta run, run, runaway  
She's in the twilight zone  
Yeah, you gotta run, run, runaway  
It's such a long way home  
When it hurts so bad you gotta run, run, runaway  
It's like the twilight zone  
Yeah, you gotta run, run, runaway  
But she won't go home  
When it hurts so bad you gotta run, run, runaway  
She's in the twilight zone  
Yeah, you gotta run, run, runaway  
It's such a long way home  
When it hurts so bad you gotta run, run, runaway
