Silent Hedges / Double Dare

Nevermore

[Words: P. Murphy / Music: Bauhaus]Following the silent hedges
Needing some other kind of madness
Looking into purple eyes
Sadness at the corners
Works of art with a minimum of steelPure sensation
The beautiful down grade
Going to hell again
Going to hell againSelf confidence leaks
From a thousand wounds
Faults of civilization
Burning the private paradise of dreams
Minus hands of the electric clock - clock - clock - clockWhat happens when the intoxication of success has evaporated?
Following the silent hedges
Following the silent hedges
Going to hell againI dare you to be realPure sensation
The beautiful down grade
Going to hell again
Going to hell againAgain (4x)
