

Good To Be Alive

Meghan Trainor

I ain't trying to think about all my problems
I'm living now, I'm living now
I can't sit and worry about the future
I'm living now, I said I'm living now So put your hands up if you feel like having a good time
Put your hands up if you got no cares at all
Raise your cups if you got no work tomorrow
Put your hands up if you're ready to have some fun
Come on, sing it! Oh oh oh, oh oh oh
Oh, it feels so good to be alive
Oh oh oh, oh oh oh
Oh, it feels so good to be alive I'm gonna wake up every day like it's Christmas
I'm gonna celebrate this life I'm given
From now on (from now on)
I'm gonna tell my mother every day I love her
And tell her "Thanks for being such a good mother"
From now on! C'mon! Put your hands up if you feel like having a good time
Put your hands up if you got no cares at all
Raise your cups if you got no work tomorrow
Put your hands up if you're ready to have some fun
C'mon, c'mon, sing it! Oh oh oh, oh oh oh
Oh, it feels so good to be alive
Oh oh oh, oh oh oh
Oh, it feels so good to be alive Feels good, don't it?
Living your life in this great moment
And you never ever think it's gonna go away, but I swear
I know you'll wake up one day and say
Yeah, I got things to do
Yeah, I got mountains to move
And it ain't about how sad it could be
It's about how good it should be
C'mon, sing! Feels good, don't it? Feels good, don't it?
You only got one life; live in the moment
Feels good, don't it? Feels good, don't it?
You only got one life; live in the moment
Feels good, don't it? Feels good, don't it?
You only got one life; live in the moment
Feels good, don't it? Feels good, don't it?
You only got one life; live in the moment Oh oh oh, oh oh oh
Oh, it feels so good to be alive

Oh oh oh, oh oh oh
Oh, it feels so good to be alive
Oh oh oh, oh oh oh
Oh, it feels so good to be alive
Oh oh oh, oh oh oh
Oh, it feels so good to be alive Feels good, don't it? Feels good, don't it?
You only got one life; live in the moment
Feels good, don't it? Feels good, don't it?
You only got one life; live in the moment Oh oh oh, oh oh oh
Oh, it feels so good to be alive
