

# Ooh, I'm Satisfied

[Lisa Hartman](#)

Oo, I'm satisfied with your loving  
When you hold me tight, I'm in Heaven  
Ooo, I'm satisfied  
When you're loving me Temptation was too strong  
And when you're in a game of love  
I must control  
I know you know that I give in so easily  
'Cause your love is killing me  
I lose control Ooh, I'm satisfied with your loving  
When you hold me tight, I'm in Heaven  
Ooh, I'm satisfied  
When you're loving me And when I'm really alone  
And I call you on the phone  
You come home  
Tell me, yes, you do, in words and you  
Whisper in my ear  
And I know you'll soon be here  
'Cause, baby, you come home, home Ooh, I'm satisfied with your loving  
When you hold me tight, I'm in Heaven  
Hoo, I'm satisfied when you're loving me Oh, yes, I am Oooo, I'm satisfied with your loving  
When you hold me tight, I'm in Heaven  
Hoo, I'm satisfied  
When you're loving me  
Oh, yes, I am and you know it Ooh, I'm satisfied with your loving  
When you hold me tight, I'm in Heaven  
Oo, I'm satisfied, yeah, when you're loving me [FADE]
