

# Comatose

## Chimaira

I am the constant chill  
I am the versatile  
I am the constant chill  
I am the versatile I am the God you love  
I am the addiction  
I am the God you love  
I am the addiction I am inside I am the constant chill  
That moves up and down your spine  
I am the versatile one  
That moves in and out your mind  
Your mind I am the dark abyss  
That haunts before your prayers  
And I am the nemesis  
That haunts in your nightmares  
Nightmares, nightmares You can feel when I, I am inside  
And you know that I control you  
I enslave you  
I destroy you and leave you comatose I, I am the God you love  
That moves in and out your veins  
I am the addiction  
That buries you in shame  
In shame, yeah, shame You can feel when I, I am inside  
And you know that I control you  
I enslave you  
I destroy you and leave you comatose I've wrapped these chains so tight  
You can't break through  
I've wrapped these chains so tight  
You can't break through The, the smell of fear is so enticing  
It's so inviting  
There's nothing more that I love  
Than to tear you apart, tear you apart I, I am inside and you know that  
I control you, and I enslave you  
I destroy you and leave you comatose I've wrapped these chains so tight  
You can't break through  
I've wrapped these chains so tight  
You can't break through I am the constant chill  
I am the versatile  
I am the constant chill  
I am the versatile I am the God you love

I am the addiction  
I am the God you love  
I am the addiction I leave you comatose  
Leave you comatose
