Politician

Cream

Hey now baby, get into my big black car
Hey now baby, get into my big black car
I want to just show you what my politics are
I'm a political man and I practice what I preach
I'm a political man and I practice what I preach
So don't deny me baby, not while you're in my reach

I support the left though I'm leaning, leaning to the right
I support the left though I'm leaning to the right
But I'm just not there when it's coming to a fight
Hey now baby, get into my big black car
Hey now baby, get into my big black car
I want to just show you what my politics are
