

# Politician

## Cream

Hey now baby, get into my big black car  
Hey now baby, get into my big black car  
I want to just show you what my politics are  
I'm a political man and I practice what I preach  
I'm a political man and I practice what I preach  
So don't deny me baby, not while you're in my reach

I support the left though I'm leaning, leaning to the right  
I support the left though I'm leaning to the right  
But I'm just not there when it's coming to a fight  
Hey now baby, get into my big black car  
Hey now baby, get into my big black car  
I want to just show you what my politics are
