

Storm (Dinka Bootleg Remix)

Lifehouse

How long have I been in this storm?
So overwhelmed by the ocean's shapeless form
Water's getting harder to tread
With these waves crashing over my head
If I could just see you
Everything would be all right
If I'd see you
This darkness would turn to light
And I will walk on water
And you will catch me if I fall
And I will get lost into your eyes
I know everything will be alright
I know everything is alright
I know you didn't bring me out here to drown
So why am I ten feet under and upside down?
Barely surviving has become my purpose
Because I'm so used to living underneath the surface
If I could just see you
Everything would be all right
If I could see you
This darkness would turn to light
And I will walk on water
And you will catch me if I fall
And I will get lost into your eyes
I know everything will be alright
And I will walk on water
And you will catch me if I fall
And I will get lost into your eyes
I know everything will be all right
I know everything is all right
Everything's all right
Yeah
Everything's all right
