

It's A Real Good Feeling

Peter Kent

You turnin' my night into days
Leap me in mysteries way
You make feel like a new man
It's like I'm born once againMmm-mmm, it's you
I know it's youYou cause desire and pain
Tangle me up in your chain
You make me this slave of your love
Life feels like heaven aboveMmm-mmm, it's you
Forever youAnd it's a real good feeling
You got me rockin' and reelin'
You got me beggin' and stealin'
Oh, for your sweet loveAnd it's a real good feeling
You got me rockin' and reelin'
You got me beggin' and stealin'
For your sweet loveMagic is filling the air
I need you, you know that I care
You are the one I adore
Leavin' me begging for moreMmm-mmm, it's you
I know it's youBut it's a real good feeling
You got me rockin' and reelin'
You got me beggin' and stealin'
Oh, for your sweet loveAnd it's a real good feeling
You got me rockin' and reelin'
You got me beggin' and stealin'
For your sweet loveAnd it's a real good feeling
You got me rockin' and reelin'
You got me beggin' and stealin'
Oh, for your sweet loveAnd it's a real good feeling
You got me rockin' and reelin'
You got me beggin' and stealin'
Oh, for your sweet loveBut it's a real good feeling
You got me rockin' and reelin'
You got me beggin' and stealin'
Oh, for your sweet loveBut it's a real good feeling
You got me rockin' and reelin'
You got me beggin' and stealin'
Oh, for your sweet loveBut it's a real good feeling
You got me rockin' and reelin'
