The Verve

Dream, dreamDamaged, do you see through the scream?
Damaged but I know I will survive
Damaged but I guess I'll move onDream, dream
Live this life before your soul's a small grain in the skyJust keeping it, keeping it on
Just keeping it, keeping it on
Just keeping it, keeping it on
Just keep it, keep it, keep it on, just keeping it, keep itDream, dream
Live this life before your soul's a small grain in the skyDamaged, do you see through the scream?
Damaged but I know I will survive
Damaged but I guess I'll move onToo many people, too many dreams now, too many dreams now
I'm gonna come out now, I'm gonna come back nowDream, dream
Live your life before your soul's a small grain in the sky
Dream, dream
Live your life before your soul's a small grain in the sky
