The Verve

Dream, dream Damaged, do you see through the scream?
Damaged but I know I will survive
Damaged but I guess I'll move on Dream, dream
Live this life before your soul's a small grain in the sky Just keeping it, keeping it on
Just keeping it, keeping it on
Just keeping it, keeping it on
Just keep it, keep it, keep it on, just keeping it, keep it Dream, dream
Live this life before your soul's a small grain in the sky Damaged, do you see through the scream?
Damaged but I know I will survive
Damaged but I guess I'll move on Too many people, too many dreams now, too many dreams now
I'm gonna come out now, I'm gonna come back now Dream, dream
Live your life before your soul's a small grain in the sky
Dream, dream
Live your life before your soul's a small grain in the sky
