

# Hot Mess

## Chromeo

You're a hot mess  
You act like you've got nothing to lose  
But I've already lost my temper I put my lovin' on the line for you, lady  
But my spirit's were low  
I would've committed a crime for you, baby  
Yeah, it got outta control But I know my temper's been kinda crazy  
(I need somebody, I need someone)  
Your love is real but I just feel suffocated  
(I feel so lonely, I feel so numb) I thought we had this conversation already  
Do you really want to go through this all over again? The way I was acting was just fine but then lately  
You sort of noticed a shift  
Everyday was Christmas time for you, lady  
And you got showered with gifts But you could hear it in my voice  
That I was getting kind of aloof  
And I don't really have a choice  
I guess I gotta tell you the truth But I know my temper's been kinda crazy  
(I need somebody, I need someone)  
Your love is real but I just feel suffocated  
(I feel so lonely, I feel so numb) I don't know what you want from me  
I mean, I'm not a bloody social worker But I know my temper's been kinda crazy  
(I need somebody, I need someone)  
Your love is real but I just feel suffocated  
(I feel so lonely, I feel so numb) What? I need somebody, I need someone  
I feel so lonely, I feel so numb
