

San Francisco

Me First and the Gimme Gimmes

If you'e going to San Francisco
Be sure to wear some flowers in your hair
If you'e going to San Francisco
You'e gonna meet some gentle people there
For those who come to San Francisco
Summertime will be a love-in there
In the streets of San Francisco
Gentle people with flowers in their hair
All across the nation
Such a strange vibration
People in motion, people in motion
There' a whole generation
With a new explanation
All of those who come to San Francisco
Be sure to wear some flowers in your hair
If you're going to sneaky peepshows
Summertime is nice with wild wild hair
