Gabriel

Lamb

I can fly but I want his wings
I can shine even in the darkness
But I crave the light that he brings
Revel in the songs that he sings
My angel GabrielI can love but I need his heart
I am strong even on my own
But from him I never want to part
Hes been there since the very start
My angel Gabriel, my angel GabrielBless the day he came to be
Angels wings carried him to me
Heavenly I can fly but I want his wings
I can shine even in the darkness
But I crave the light that he brings
Revel in the songs that he sings
My angel Gabriel, my angel GabrielMy angel Gabriel
My angel Gabriel
My angel Gabriel
