Naked But Safe

IAMX

The least wishes are orders
Born raised and cornered
Was kept fed and watered
They tied me to the radiatorsAnd I was kicked around and locked down
Left in the cold to self harm
This is all that I know
Naked but safe and lifelessly yoursThe least wishes are orders
Born, raised and cornered
I was kept fed and watered
They tied me to the radiatorsI was kicked around and locked down
Left in the cold to self harm
This is all that I know
Naked but safe and lifelessly yoursAnd keep me fed and keep me watered
Naked but safe
Keep me fed and keep me watered
Naked but safeAnd keep me fed and keep me watered
Naked but safe
Keep me fed and keep me watered
Naked but safeNaked but safe
Naked but safe
Naked but safeKeep me fed, keep me watered
Keep me fed, keep me watered
Keep me fed, keep me watered
Keep me fed, keep me watered
