

I Must Be High (live)

[Wilco](#)

You always wanted more time,
To do what you always wanted to do
Now you got it And I, I must be high,
To say goodbye
Bye bye bye You never said you needed this
And you're pissed that you missed the very last kiss,
From my lips And I, I must be high,
To say goodbye
Bye bye bye And you never looked in my eyes,
Long enough to find any piece of mind
But now you got it And I, I must be high,
To let you say goodbye
Bye bye bye
