

Waking the Fallen: Resurrected

Avenged Sevenfold

Hard news, taken harder, don't look to me
Disappointed, we don't agree, I don't need your praise...
(don't look my way for help,
from the beginning you came to me)
Never asked you to like me,
I don't want your praise (we won't play your games)
Look down on me, spit in my face,
you're nothing to me: not to me Darkened eyes you'll see,
there is no hope, no savior in me
(don't look this way, don't breathe this way,
don't stare this way, anymore)
Learned from years gone by, no one will care,
what happens to me
(don't look this way, don't breathe this way,
don't stare this way, anymore)
My presence won't be ignored, no not today
Don't walk in my direction, turn the other way
(don't look my way for help,
from the beginning you came to me)
Asking questions, predetermined answers,
you won't find them here (we don't want your opinion)
And I don't want you, I won't let you think,
compromise is near. 'Cause it's not near. Darkened eyes you'll see,
there is no hope, no savior in me
(don't look this way, don't breathe this way,
don't stare this way, anymore)
Learned from years gone by, no one will care,
what happens to me
(don't look this way, don't breathe this way,
don't stare this way, anymore)
I'm alone in here
No more feelings
Killed my fears
Don't ask
you'll never know
you're left behind and I'll be exposed Far away, you keep on trying...
Holding me down, breaking away,
trying to distance my life.
Not one in the crowd, but one with the answer

the one that could change your mindBut it's not true, I don't need you
Don't waste your time, and don't waste mine
I'm not your friend, I won't soothe your soul
And in the end you're all dead to me
