

You Are Worthy

Open Heaven

Verse 1

How could I ever keep it in
Mighty God, faithful friend
How could I ever cease to praise You
How could I ever cease to sing
A song of praise, to You my King
Oh, I have to let it out!Chorus
(So) Let Your praise be ever on my lips
Ever in my mouth
Mighty God, You are worthy!
Let Your praise be ever on my lips
Ever in my mouth
We shout it out that You are worthy!Bridge
To the One who heard my cry,
Lord, I lift Your name on high,
To the Lover of my soul,
God, to You alone, to You alone
