

Birds

Gucci Mane

Huh

Birds of a feather, it's Guwop!

Chyeah, huh

I got my nigga Rock with me, shit is epic

On 13 shitI fuck with Rocko 'cause he's a hustling motherfucker (A1)

You know I fuck with Flocka 'cause he's a crazy motherfucker(BSM)

You know I fuck with Scooter, he's a robbin' motherfucker(BMG)

I used to fuck with Gotti till he turned into a buster (fuck em)

I did a song with T.I. but the nigga still a sucker

OJ got locked up taking some bridge down to Augusta

You know I fuck with Hot but he's a shysty motherfucker

You know I fuck with Mojo, he's a hustling motherfucker

In nineteen ninety seven I was a petty motherfucker

Two thousand seven, I was trappin' heavy on Custer

I did a song with Keyshia Cole, I wish I woulda fucked her

I miss that girl Misha, she was a fine motherfucker

I used to fuck with Keyshia Dior and I still kinda love her

I wish that I could fuck her now because my mind in the gutter

You know I fuck with P and Buck, I'm they fucking third brother

The nigga killed Dunk get out, I'll be a locked up motherfuckerMost of these niggas, half of these hoes

A couple of my pistols, fuck all of my foes

A few more swishers, a couple more M's

I'm tryna get richer and free all of my niggasI need all of mine, nigga

All of my niggas

I'm trying to get richer to free all of my niggasI need all of mine, nigga

All of my niggas

I'm trying to get richer to free all of my niggasShout out that nigga Meech, he's a loyal motherfucker (BMF)

I got no respect for Jeezy, he wouldn't even buy a lawyer

Yeah I respect Big Cat but he's a dirty motherfucker

I still fuck with Coach K but he's a nerdy motherfucker

You know I signed Young Dolph, he's a juggin' motherfucker

But I still say that Project Pat is my favorite rapper

Free my nigga Boosie, he's a gangsta motherfucker

Free my nigga B.G., he's a gangsta motherfucker

R.I.P. to Soulja Slim, I miss that motherfucker

R.I.P. to Pimp C, 'cause I miss that motherfucker

When I lost Dunk, it's like I lost my own brother

R.I.P. my grandaddy and I lost my grandmother

Well, ever since I had my son I never fucked my baby mother

And every bitch in the industry want to be my baby mother

My nigga says he loves his girl, but I just seen her with Usher

A nigga rob me in ninety six, when he get out I'mma touch himMost of these niggas, half of these hoes

A couple of my pistols, fuck all of my foes

A few more swishers, a couple more M's

I'm tryna get richer and free all of my niggasI need all of mine, nigga

All of my niggas

I'm trying to get richer to free all of my niggasI need all of mine, nigga

All of my niggas

I'm trying to get richer to free all of my niggas
